B. Shall the Town of Lisbon raise and appropriate **\$2,435,475** in additional local funds, which exceeds the State’s Essential Programs and Services allocation model by **\$426,321** as required to fund the budget recommended by the school committee.

The school committee recommends **\$2,435,475** for additional local funds and gives the following reasons for exceeding the State’s Essential Programs and Services funding model by **\$426,321**

- 1) Co-Curricular and Extra-curricular activities: The state only supports 20% of Lisbon's total expenditures.
- 2) The Teacher Retirement portion that was previously paid by the state.
- 3) Substitute Pay: The State Allocates half a day per student. This does not cover long term absences where substitutes are paid at a higher rate.
- 4) Special Education: This additional amount is partly due to year old student information, summer school, scheduling and reduced financial support at the Federal and State levels.
- 5) Nutrition (Lunch): The state does not provide any subsidy to cover the expenses in the general budget.

*Explanation: The additional local funds are those locally raised funds over and above the school administrative unit’s local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Lisbon School Department’s budget for educational programs.*
