MISSION

Members of the Lisbon Community are committed to creating safe, respectful climates in which broad-based educational and cultural opportunities provide rich, diverse experiences for all learners. Within this environment, learners will become knowledgeable about themselves and others; develop strong academic, creative, technological, recreational, and practical life skills, preparing them for many options as life-long learners, effective problem solvers and capable communicators. These experiences will provide a solid basis for future responsibilities as family members, workers and citizens. As the community strives to improve the educational environment, necessary resources will be provided to secure safe, spacious, accessible facilities for a wide variety of learning activities.
